Obtaining A Contractor's License

The City of El Dorado requires all Electrical, Mechanical, and Plumbing Contractors to be licensed before beginning work. To obtain a license, you will need the following:

1. A certified Master in your company.
2. Current Certificate of Insurance with at least \$500,000 in General Liability coverage.
3. The fee for a new Contractor's License is \$200.
An expired Contractor's License can be re-issued but as a new license with a fee of \$200.00.
4. For the certified workers, the fees are \$40.00 for each Master and \$20.00 for each Journeyman. The following items are also needed from everyone:

Copy of testing results
Proof of required continuing education
A current photo I.D.
Current address and phone number or
Copy of current MABCD individual license/card

Biennially Renewal Requirements

Fees:

Contractors License	\$100.00
Master	\$40.00
Journeyman	\$20.00

Proof of required continuing education or a current MABCD individual license/card.
