* Or the total hourly cost to the jurisdiction, whichever is the greatest. This cost shall include supervision, overhead, equipment, hourly wages and employee fringe benefits.

The determination of value or valuation under any of the provisions of this code shall be made by the building official. Where work for which this code requires a permit is started or proceeded with before obtaining the permit, the fees specified shall be doubled, but the payment of such double fees shall not relieve any person from fully complying with the requirements of this code in the execution of the work nor from any other penalties prescribed herein. (Ord. G-770 § 1 (part), 1993: prior code § 5-206)

Demolition - \$50.00

Plan Review Fee

When submitted documents are required by the code and the jurisdiction, a plan review fee of up to and including 65% of the permit fee shall be paid before the permit is issued. When submitted documents are incomplete or changed to require additional plan review or when the project involves deferred submittal items, an additional plan review fee may be charged at the posted rate.
